

Services provided by IP-Coordination DL

Technology

Some of our basic services everyone can use:

- **HAMNET - our basic services ready to use in HAMNET**
- **HAMCLOUD - our basic services ready to use in HAMCLOUD** (sorry, still german)

Tools

Tools for communication and repositories for setting up services in HAMNET or HAMCLOUD

Mailinglists

IP-Coordination DL provides a **Mailinglist-Server** on Internet. Actual mailinglists are closed and only accessible for registered Users. There is an option for self registering to interested persons. More lists can be generated on request. For now the following lists are activated:

- **Overview Mailinglists**
 - [AS-Koordination](#) - admins and maintainers for all AS in HAMNET (german)
 - [HAMNET-West](#) - admins/maintainers in HAMNET-WEST (german)
 - [HAMNET_Ost](#) - admins/maintainers in HAMNET-Ost (german)
 - [HAMNET_F](#) - admins/maintainers in HAMNET Hessen (german)
 - [HAMNET_M](#) - admins/maintainers in HAMNET Schleswig-Holstein (german)
 - [HAMNET_V](#) - admins/maintainers in HAMNET Distrikt-V (german)

responsible person: Egbert Zimmermann, [DD9QP](#)

Mirrors/Repositories

IP-Coordination DL maintains some repositories and software-mirrors for access from within HAMNET and HAMCLOUD. This is important for users, sites and devices which don't have direct internet access at their locations.

Cloud

- **Scripts, slides, presentations ready for download out of our own cloud**

responsible person: Egbert Zimmermann, [DD9QP](#)

responsible person: Thomas Osterried, [DL9SAU](#)

AMPR-DNS

Informations and files for setting up a regional DNS with connection to our DNS-Hub-system, including an automated update in both directions. RSYNC access in HAMNET:

```
rsync ipkoord.de.ampr.org::ampr-dns
rsync dl-ost.ampr.org::ampr-dns
rsync dl-sued.ampr.org::ampr-dns
rsync dl-west.ampr.org::ampr-dns
```

responsible persons: IP-Coordination DL, [IPKOORD](#)

Alternative Download:

HAMNET:	Download 1	Download 2
INTERNET:	Download 1	Download 2
